6. Clothing

Old and mended uniforms.

7. Missions

25X1

Checking of passports on the ERATISLAVA-VIEUNA highway. Patrolling of the border (two-man patrols).

The entire platoon was alerted by order of Unit about 20 August 1949 to intercept agents of the US Army Intelligence service who were expected to cross the Austrian-blovak border.

25X1

8. Eorder Fortifications

The construction of barbod-wire obstacles along the Blovekian-Austrian border was planned. A two-mile section continuing the wire obstacles along the Austrian-Hungarian border was completed by late September 1949. Old barbed wire was used for this work which was discontinued for the lack of material.

9. Courses

a. A pistol markmanship course was held in the PRAGUE-VRSOVICE barracks from 28 August to 4 September 1949. About 40 picked marksman from SNB border guard units and military SNB battalions from all Czechoslovakia participated in the course. Type 26 pistols were used.

25X1

- b. A rifle, submachine gun and machine gun markmanship course was held at the DOUPOV (N 51/P 89) SNB training center from 4 to 12 September 1949, attended by about 300 SNB men from all Czechoslovakia. They were quartered in the former monastery on the western exit road of DOUPOV.
- (1) Maj VESELY and five other officers, all Czechs, were instructors.
- (2) The following arms were used:

kifles of type 26
About 30 Parabellum submachine guns, a "secret" weapon which
was primarily used during the course
About 30 semi-automatic rifles of type 48
Czech light and heavy machine guns
Soviet heavy machine guns of type Maksim.
